

# CERTIFICATE OF REGISTRATION

Information Security Management System  
 ISO/IEC 27001:2013

## Synopsys, Inc.

**A-LIGN Compliance and Security, Inc. certifies that the organization operates an Information Security Management System that conforms to the requirements of ISO/IEC 27001:2013. The scope and boundaries of the ISMS is as follows:**

The certificate scope comprises the Information Security Management System (ISMS) supporting the operations underlying the Synopsys Secure Cluster ("Secure Cluster") offerings which provides customers with a preconfigured environment that enables secure integrated circuit design. The data center and environment is physically hosted and logically isolated by Synopsys for each customer. The environment per customer is built to spec according to contractual agreements with clients. The organizational scope includes the Information Technology, Information Security, and IT Customer Support teams affecting which affect the ISMS.
